Fusion Grip

- Self bonding silicon rubber.
- Great for all Dragonboat, Outrigger, Kayaks.
- Profiled for seamless smooth no slip grip.
- No adhesives or glue, removes cleanly.
- Light Weight 5 grams
- Colors: Black
- Size 36 inches (10" wrap)

Burnwater's Fusion Grip is an advanced grip technology that utilizes a specially formulated silicon material that offers superior grip performance over wax or adhesive tapes. Microscopic gas bubbles in the tape activate the rubber so that it permanently sticks only to itself! No more adhesives or sticky residues to deal with. The grip also incorporates a special triangular profile that when wrapped onto itself results in a smooth, ridge free grip. Great for dragonboat , outrigger and kayak padles
